Mr. Lester Waxman
Classic Remodeling Corp.
1 University Plaza Drive
Hackensack, NJ 07601

Dear Lester:

GAF Materials Corporation would like to thank you for working with us to install our Grand Canyon™ Premium Designer Shingles on the house in Wayne, NJ. As you know, that house is now featured in our award-winning Grand Canyon™ Premium Designer Shingle Brochure and in GAF's Premium Designer Shingle Collection Brochure.

GAF's brochures are regarded as the best in the industry thanks to contractors such as yourself. In fact, for the past two years the brochures have received the American In-House Design Award. We could not have accomplished this without the beautiful homes that are featured in the brochures, including the one Classic Remodeling installed in Wayne.

Thank you also for being a Master Elite Contractor for the past nine years and maintaining good standing in that program. As a factory-certified Master Elite™ Contractor, Classic Remodeling has been carefully pre-screened by GAF. In fact, only 2% of the roofing contractors in the country have earned the Master Elite status – a distinction that truly sets you apart from the rest.

GAF strives to partner with the industry's best and most ambitious roofing contractors who understand the value of being the best and safest choice for property owners. Thank you again for being a valued partner.

Sincerely,

A handwritten signature in blue ink that reads "Diane Gola".
